Triskelion Arts is pleased to present Cori Marquis + the Nines [IX] this March in the new Muriel Schulman Theater. The company's new work, *#nofilter*, investigates the profane mess involved in being human. With text and film woven into high-powered physicality, the piece digs into the mayhem of human thoughts, actions, and bodies, and the desperate filters people apply to make themselves appear untainted. Comedic, raw, and openhearted, *#nofilter* invites both the performers and the audience to set aside their filters, even if only for the moment.
