Triskelion Arts is pleased to present the latest work from comedic trio, LMnO3 (Deborah Lohse, Cori Marquis, and Donnell Oakley) this May. "More Like Your Mom", created by three women who are child-free by choice, is a multi-media dance theater rollercoaster, shape-shifting through ideas of what it means to be female today when old ideals still hold strong images in our collective conscious. Through games, interactions, and interruptions, LMnO3 encourages the audience to engage with the multitude of ways in which we identify as women by challenging notions of femininity and celebrating alternative ways of channeling the instinct to nurture.

This program is supported, in part, by public funds from the New York City Department of Cultural Affairs in partnership with the City Council as well as the New York State Council on the Arts with the support of Governor Andrew M. Cuomo and the New York State Legislature.
