Triskelion Arts is pleased to present The Pharmacy Project this October in the Muriel Schulman Theater. *Pearl* is the 5th installment of The Pharmacy Project's female celebrity series. The company continues to explore how a name builds strength in character, and the associations it maintains as time goes on. With guidance through soundtrack, set, and quality a story unfolds, highlighting what it means to be human. Directed by Nora Petrolunas. Performed by Jake Bone, Lindsay Lee, Amber Morgan, and Hsiao-Jou Tang.

"...more than generous with her audience. She has already established a knack for serving up quirky and surprising sensual feasts that fully exploit the imaginative possibilities of the architecture, the furniture, and the dancers that she selects to frame her visions." - DJ McDonald, Culturebot 2010
