Join The Equus Projects for the premiere of a new evening-length dance/theatre/film work for six performers, *Truth be Told*. Choreographed by Equus Projects founder and artistic director, JoAnna Mendl Shaw, *Truth be Told* explores the vulnerable state of not knowing, and explores themes of inadvertent cruelty, honesty, and the lessons learned in The Equus Projects about truly listening when working not only with other humans, but other species as well. Join us ahead of each performance to enjoy images from photographer Harry Lavallen of 530 Dance Photography.

Advanced tickets are required for attendance. Tickets are available here: <https://www.eventbrite.com/e/truth-be-told-tickets-1287962523579?aff=oddtcreator>
