TUSHRIK FREDERICKS

JUNE 1 & 2, 2023

8PM

(territory) of the heart

With performance by South African dance artist Tushrik Fredericks who is a collaborative artist with TRIBE (founding artistic director, Shamel Pitts) and soundscape by multidisciplinary artist TT Britt, '(territory) of the heart' creates a movement journey parallel to a live sonic journey that digs deeper into physicalising the experience of the heart - its grapple with identity, humanitarian aspects and the endless potential that lies within one's heart and humanity to soar, challenge and find serenity.
