Buckle up —this charged two-day intensive throws you into complex floorwork, fearless partnering, and visceral theatrical explorations. Dig into character development and performance skills, peel back new layers of expression, and connect through raw, unleashed movement. The experience culminates in an informal showing and a talk back—plus the option to reflect and toast to the practice over beers & bites!

Come ready to pounce, sweat, and test your limits. This isn't just a workshop—it's a rite of passage.

Be Brave. Commit to Something.
