Registration is open for our upcoming contemporary fusion workshop with the incredibly talented Lauren Rupsis & Alicia Gavzy!

The workshop is \$15 and pre-registration is required.

Friday, August 22

7-8:30pm

Battery Dance

Our vibe is giving contemporary fusion, grounded and textural, with room for storytelling. We encourage dancers to make choices that highlight their individuality! Class will begin with a warm-up, followed by learning a combination, and conclude with ample time to dance through it and take risks. We aim to create a fun, inclusive space where you can explore movement, connect with others, and make the choreography your own! :)

UDC workshops are always open to all, but please note that choreography will be geared toward intermediate level contemporary dancers.
