The Vertigo Dance Company invites you to participate in the creative process while further developing your artistic identity and exploring community and cultural life in Israel.

The Vertigo International Dance Program is a 5/10 month intensive dance program offering you a hands-on experience of the unique Vertigo dance language combined with the uplifting and empowering daily routine in Jerusalem and at the Vertigo Eco-Art Village. This inspiring opportunity provides you with the time and space for personal growth while cultivating your self-expression through dance.

Leap forward and embrace this chance to broaden your horizons!

VIDP Curriculum: The Vertigo International Dance Program offers a selection of classes and workshops to hone your skills and expand your dance expertise including: VDC Repertoire; General Repertoire; Classical Ballet; Contemporary Dance; Improvisation; Contact Improvisation; and Release. Experience work with leading Israeli choreographers as practical training continues on stage with performance productions. At the same time savor Israeli culture with a comprehensive introduction including: Hebrew lessons; Israel studies; and cultural-educational excursions.

This wide range of stimulating challenges and experiences are conducted entirely in English.

Contact: vidp@vertigo.org.il and apply today for our Spring Semester beginning in February 2016!
