Vivid Experience

Company: koosil-ja/danceKUMIKO

Venue: Dany Studios

Location: New York, NY

► [Share](#) | [Print](#) | [Download](#)

This new dance and interactive duet work is created by Geoff Matters (composer, computer programmer, video artist) and Koosil-ja (dance artist, songwriter). They dance, enact, and sing to unwrap images of the body and remap them onto studios 4 and 5 of DANY Studios Manhattan.
