October 5 – November 9

WED 6-8pm

MR@Gibney 280 Broadway

Voice as Movement integrates movement and vocalizing to expand perception and activate space differently than movement alone. We will discover how this interplay can expand the variety of choices available to performers, allowing for a fuller means of expression and articulation through the body.

Peter Sciscioli is an interdisciplinary performer, creator, educator, and producer working in dance, music, theater and film. He has taught and performed in countries from Mexico to Macedonia, and offered vocal coaching to several companies in New York. Peter has worked extensively with Meredith Monk, Jane Comfort, and Daria Faïn, among others.
