Steve Prue

This open air, immersive dance-theatre experience guides an intimate eight-person audience through the dreams of iconic artist Toulouse-Lautrec as he recalls his final absinthe-laced years living and working in Montmartre. The sidewalks, doorways and windows of Greenwich Village become the setting for VOYEUR as live accompaniment collides with the city's soundscape, transporting attendees into the bohemian world of 1899 Paris.

Bated Breath
61 Christopher Street
