In conjunction with New York Climate Week 2025, INDELIBLE DANCE & NOOSPHERE Arts Present: WASTE YOUR TIME - an evocative, immersive performance exploring the ways we waste time, and the even deeper ways we waste our planet's precious resources.

Set against the raw industrial beauty of the Newtown Creek Nature Walk, this site-specific dance experience invites audiences to slow down, be present, and reflect on consumption, inaction, and the cycles we find ourselves stuck in. With bold choreography, humor, and striking visuals, WASTE YOUR TIME transforms an overlooked urban space into a powerful stage for both environmental and emotional reckoning – calling us to awareness, intention, and care.
