Transforming lives through dance

Follow us as we make waves through the park! Wavedances will perform at Prospect Park on June 1st from 11am-1pm: Starting at the Grand Army Plaza Farmer's Market, exiting the park at 3rd Street Playground, and finishing at Old Stone House.

Wavedances is an opportunity for dancers to learn and explore site-specific performance and interactive public connection. Led by Dancewave teaching artist Jessica Harris, workshops on May 22 & 29 from 5-7:30pm explore the history of site-specific performance, developing effective public performances, building choreography, and designing costumes.

This performance opportunity is open to dancers ages 13 and up who have a foundation in dance and performance.
