If you...

- Are a solo or collaborative dancer
- Want time and inspiration to choreograph a solo to be performed live
- Want a professional recording of your solo
- Want workshops and seminars to guide you in your artistic development

then Artist After Hours is right for you!

What to Expect
The weekend is composed of four movement classes, three seminars, and time allotted for your own solo creation! Each guest artist will guide an inspiring class to prepare you physically and cognitively for your creation. Classes will be held virtually with an optional filming and live performance of your solo at the Gibney Studios on the last day!

Our Goal
"Artist After Hours" holds movement and discussion-based workshops designed to develop versatility in the field and foster a space where artists can share thoughts, ideas, and inquiries about dance.
