Described by The New York Times as "America's greatest contemporary ballerina," Wendy Whelan, the former New York City Ballet principal, recently launched the Wendy Whelan New Works Initiative, which begins spectacularly with Restless Creature, a suite of four duets, each created by a talented young artist with whom Whelan also performs. This Joyce co-production and co-commission features Kyle Abraham's The Serpent and the Smoke; Josh Beamish's Conditional Sentences; Brian Brooks's First Fall; and Alejandro Cerrudo's Ego Et Tu.
