International Women's Day Heels Dance Class

Saturday, March 8th
6:30 - 8:00 PM
Abrons Art Center, Studio 2
\$20 – Venmo @jamie-solomon-2

Join us for a special Heels dance class in celebration of International Women's Day! This class is all about embracing the joy, love, and beauty of being a woman—a space to move, connect, and celebrate our bodies, our existence, and ourselves.

Through empowering choreography, we'll tap into our confidence, femininity, and strength, using movement as a form of self-expression and self-love. Whether you're a seasoned dancer or brand new to heels, this class is about community, connection, and unapologetic self-celebration.

- All levels welcome!
- Heels encouraged, but not required
- Come as you are, leave feeling radiant

Let's dance, uplift, and honor each other—together.

Reserve your spot by sending \$20 via Venmo (@jamie-solomon-2) before class. Can't wait to dance with you!
