Composing Relationships

Not as beginners, but with a beginner's mind, we'll examine and question the relationships (actual and conceptual) that we want to manifest in our dances. We'll work through a variety of exercises to gather compositional tools in how to extend movement from one person to another.

Please note: we'll be working in a territory where lifts occur by happenstance, not design, and in a world where contact improvisation has yet to be invented.

Movement Research
537 Broadway, 4th Floor
New York, NY, 10012
\$30
