**inQUAD**, presented by Inclined Dance Project, is a performance series featuring the work of four female choreographers. These four like-minded artists share similar backgrounds, experiences, and creative theories but showcase uniquely different styles. Each choreographer's distinct virtuosity and singular exhibition give way to a dynamic showcase of innovative and contemporary dance.

The first iteration of the series features the works of choreographers Beth Liebowitz (Beth Liebowitz & Artists), Amy Campbell (Crooked Mouth), and Winnie Berger (Mook Dance Company), as well as Kristen Klein of presenting company Inclined Dance Project. #inquad
