A performance series featuring the work of four emerging female choreographers. These four like-minded artists share similar backgrounds, experiences, and creative theories but showcase uniquely different styles. Each choreographer's distinct virtuosity and singular exhibition give way to a dynamic showcase of innovative and contemporary dance. inQUAD debuted in 2015 and aims to network, connect, and promote female dance makers in New York City.

The fourth iteration of inQUAD features the works of dance choreographers Alexis Robbins (kamrDANCE), Lindsey Miller (LL Moves), and Brenda Neville (Neville Dance Theatre) as well as Kristen Klein of presenting company Inclined Dance Project.
