How do artists grapple with inescapable invasions of privacy in performance? Here, we dissect and disrupt the performative nature of existence. Can presentational artists separate pedestrian life and entertainment? We seek reclamation of expression for the unconscious and conscious self. We say yes to impulse, yes to risk, and reject correctness. Come laugh with us at Spark Theatre Festival! celestegoldes.com

Celeste Goldes
312 W 36th St. 4th floor
New York, NY, 10018
