NDI's DREAM Project (Dancers Realize Excellence through Arts and Movement) is live! The DREAM Project@Home series of 30 minute classes focuses on introducing the NDI style of dance class to children with a wide variety of abilities. Kay Gayner (NDI Associate Artistic Director), Agnes McConlogue Ferro (Board Certified Pediatric Physical Therapist), Jerron Herman (NDI Teaching Artist), and children with and without disabilities from the NDI DREAM community provide strategies for adapting movement for different levels of abilities. Steps are broken down and choreography builds throughout the series culminating in a mini-performance. Musical accompaniment is provided by NDI Musicians Tony Allen, Yakir Ben-Hur, and Micha Gilad.

Join us and share this class with your community for a dance class experience that is one of a kind! Families and children of all ages and with a wide variety of abilities are encouraged to participate! Please note that for this week's DREAM video, we are re-airing week 1 of the series, featuring choreography to James Brown's "Superbad."
