## Welcome to your Dance/NYC dashboard

To enhance the accessibility of our website offerings, Dance/NYC recently implemented improvements to our site. Along with these improvements, our team developed two easy-to-use guides to help you make the best use of the new back-end: one on accessing content and features on Dance.NYC, and one on creating accessible listings and ads using your Dance.NYC account.

We encourage you to use these resources and help us continue to make the website an inclusive space. Specifically, our tips on <u>creating accessible content</u> help make your content available to a variety of users, including those who are blind, low-vision, deaf, hard of hearing, and/or those with other disabilities.

Note: All ad purchases are processed through NeonCRM. At checkout, you will be directed to a secure payment form to complete your order.
