

Welcome to your Dance/NYC dashboard

To enhance the accessibility of our website offerings, Dance/NYC recently implemented improvements to our site. Along with these improvements, our team developed two easy-to-use guides to help you make the best use of the new back-end: one on [accessing content and features on Dance.NYC](#), and one on [creating accessible listings and ads using your Dance.NYC account](#)

We encourage you to use these resources and help us continue to make the website an inclusive space. Specifically, our tips on [creating accessible content](#) help make your content available to a variety of users, including those who are blind, low-vision, deaf, hard of hearing, and/or those with other disabilities.

Note: All ad purchases are processed through NeonCRM. At checkout, you will be directed to a secure payment form to complete your order.
