### [Dance Worker Digest | January 2023](#)

Dance/NYC is excited to launch this new monthly newsletter that will offer background on important news facing our community, share resources, and direct dance workers to where they can learn more. Topics include legislation in progress, opportunities available to our sector, and issues that impact and/or advance justice, equity, and inclusion in the arts and culture. ...

### [Dance/NYC State of the Organization Address & Winter Break](#)

(FAQ after letter) Dear Dance Community, As we come to the close of a third pandemic year, we reflect on the learnings, losses, and triumphs of the past three years. As an artistic community, city, nation, and world, we continue to navigate what remains to be an unprecedented time—one that has forced us to reassess our relationships to each other and to demand and build more just futures. The...
