## Cultural Data Project Training Sessions

► [Share](#) | [Print](#) | [Download](#)

The Cultural Data Project has announced another series of training and demonstrations.

Take advantage of these FREE sessions to help you get onboard with CDP. NYSCA will require the CDP as part of the 2011-12 application. Start early and get useful (FREE) reports for your own organization and eliminate the last minute stress of application deadlines.

Attend a New York State Cultural Data Project Training Session

Is your organization one of the more than 1,850+ already taking part in the New York State Cultural Data Project? If not, now is a great time to attend a demonstration and discussion to help you get started with the CDP. Join us, either in-person or via webinar, to learn how you can begin to use this powerful management tool, free of charge!

Get the most from the New York State CDP.

In these 90-minute demonstration and discussion sessions we will give you an overview of the New York State CDP and everything you need to get started using it.

Join a demonstration and discussion from your home or office. Attend a training ONLINE via webinar!
