Dear Friend:

What can you do to support dance in NYC?

Just 6 days away from the election - Tuesday, November 2 - I write with 4 simple steps.

First, please vote to ensure the voice of the NYC dance community is heard. Our case for public support is built on our political engagement - one vote at a time.

And 3 more things

:

Know the facts. Read the latest policy news from Norma Munn at the [New York City Arts Coalition](#).

Get involved. Join Dance/NYC in the [1% for Culture](#) campaign.

Donate. Give to Dance/NYC to support our advocacy for everything dance in NYC: <http://www.dancenyc.org/donate.php>
Together, we are the movement to strengthen dance.

Sincerely yours,

Lane
