From Nicky Paraiso, Director of Programming, The Club at La Mama and Festival Curator, La MaMa Moves! Dance Festival:

To all of our dear friends and colleagues, our Mama, the great Ellen Stewart passed away this morning. Her presence in our lives has meant so much to me and so many others throughout the world. I salute her spirit as La MaMa enjoys a resurgence in which all of our theaters are overflowing with artists and audience, which is just what Ellen would have wanted to see.
