ABOUT THE BESSIES

Produced in partnership with Dance/NYC, the NY Dance and Performance Awards have saluted outstanding and groundbreaking creative work by independent dance artists in NYC for 29 years. Known as "The Bessie" in honor of revered dance teacher Bessie Schoenberg, the awards were established in 1983 by David White at Dance Theater Workshop. They recognize exceptional work in choreography, performance, music composition and visual design. A 40-member Selection Committee comprised of artists, presenters, producers, and writers choose nominees. All those working in the dance field are invited to join the NY Dance and Performance League—members participate in annual discussions on the direction of the awards and nominate members to serve on the Selection Committee.
