Beginning May 1, 2023—in alignment with our values of Justice, Equity, and Inclusion—Dance/NYC will shift our ad pricing model to a sliding scale based on budget size. With this change, we hope to make our advertising packages more accessible for New York City dance workers and entities, and to address the gap in resources that exists across the industry.

The data derived from our 2020 research study on [Small-Budget Dance Makers](#) suggests that more than half (about 55%) of entities have budgets under \$100K. Additionally, those with budgets under \$1-2M are typically under-resourced. With these findings in mind, we have created the following 5-tier scale:

- Tier 1: Under \$100,000
- Tier 2: \$100,000-\$499,999
- Tier 3: \$500,000-\$999,999
- Tier 4: \$1,000,000-\$1,999,999
- Tier 5: \$2,000,000 and over

These tiers apply to our ad package pricing as follows:

Ad Package Type	Budget Size				
	TIER 1 Under \$100,000	TIER 2 \$100,000-\$499,999	TIER 3 \$500,000-\$999,999	TIER 4 \$1,000,000-\$1,999,999	TIER 5 \$2,000,000+
Standard Ad Package	\$150	\$200	\$300	\$450	\$600
Standard Ad Package+	\$200	\$250	\$350	\$500	\$700
