[Take the FY25 CDF Impact Survey](#)

Dance/NYC and A.R.T./New York are partnering for the third year to survey all NYC arts and cultural institutions impacted by the FY25 Cultural Development Fund (CDF) awards.

If you applied to CDF for FY25—regardless of the outcome—we need your input!

Your participation will:

- Strengthen our data on how CDF funding impacts NYC's arts and culture ecosystem
- Help advocate for increased and more equitable funding
- Inform an organized, collective response to elected officials to support our field

Survey details:

- Open 4 weeks, closing March 19, 2025
- Takes no more than 10 minutes to complete
- You will need your FY25 award letter, portions of your FY25 application and your FY23 and FY24 award letters for reference

We will share our findings with you and use them to push for stronger support for our field.

TAKE THE FY25 IMPACT
SURVEY

Once you've completed your survey, we also welcome and encourage you to share the survey with your colleagues and collaborators across the sector so we can collect as many responses as possible.
