[Advocacy Alert: Protect Federal Funding for Arts and Culture](#)

On October 1, U.S. Congress will decide on the federal budget. This budget shapes how much money is available for arts and culture through the National Endowment for the Arts, as well as how much is available for arts education. Currently, Congress is deliberating between two versions of the budget: one that cuts the NEA budget by 1.5%, and one that increases it by \$2 million....
