Sliding Scale Ad Pricing

In alignment with its values of Justice, Equity, and Inclusion, as of May 1, 2023, Dance/NYC has shifted our ad pricing model to a sliding scale based on budget size. With this change, we aim to make our advertising packages more accessible for New York City dance workers and entities, and to address the gap in resources that exists across the industry. The data derived from our 2020 research study on [Small-Budget Dance Makers](#) suggests that more than half (about 55%) of entities have budgets under \$100K. Additionally, those with budgets under \$1-2M are typically under-resourced. With these findings in mind, we have created the following 5-tier scale:

- Tier 1: Under \$100,000
- Tier 2: \$100,000-\$499,999
- Tier 3: \$500,000-\$999,999
- Tier 4: \$1,000,000-\$1,999,999
- Tier 5: \$2,000,000 and over

These tiers apply to our ad package pricing as follows:

Ad Package Type	Budget Size					
	TIER 1 Under \$100K	TIER 2 \$100K- \$499,999	TIER 3 \$500K- \$999,999	TIER 4 \$1M- \$1,999,999	TIER 5 \$2M+
