Recruitment

Dance/NYC values justice, equity, inclusion, and diversity at all levels of its organization, including its Board, committees, task forces, and staff. Diversity in this context refers to groups and individuals identified by, for instance, race, color, sex, gender, sexual orientation, age, disability, status, religion, national origin, marital or partnership status, ancestry, political belief or activity, or status as a veteran. To foster the values of justice, equity, inclusion, and diversity, Dance/NYC seeks participation on its Board, committees, task forces, and staff from individuals who share and hold these values and reflect the diversity of the metropolitan New York City area, with a focus on majority African, Latina/o/x, Asian, Arab, and Native American (ALAANA) participation and disability and immigrant representation. (According to Census data, the New York City population is approximately 77% ALAANA, 10% disabled, and 37% foreign-born.
