About the 2021 Symposium:

Dance/NYC's 2021 Symposium focused on reimagining the dance ecology with emphasis on advancing justice, civic engagement, and the whole dance worker. It invited participants to investigate topics of decolonizing dance education, community organizing and social change, governmental advocacy, among others, in the context of a global health crisis and the social justice uprisings of 2020.

As the only gathering of its kind for the dance community in the metropolitan New York City area, the Symposium is a meeting place for the dance field, to exchange ideas, expand networks, sharpen organizational practices, and deepen the inquiry around New York City's legacy and trajectory of dance-making.
