Fund Components

Each grantee will receive the following throughout the course of the grant program (September 1, 2024- August 31, 2026):

- General operating support grants of \$6,000 to \$40,000 awarded over a two-year period (two installments: 2024, 2025);
- Professional development support in the form of online webinars and grantee cohort meetings; and
- Goal-directed one-on-one coaching and consulting to address a specific organizational challenge and support grantee infrastructure and sustainability goals in the areas of:
 - visioning and strategic planning;
 - fundraising and resource gathering;
 - marketing, storytelling, and communications;
 - fiscal management; or
 - general administration & operations.
