I packed my Thursday night tight:

6:30PM: Meeting with [Ana Isabel Keilson](#) and [Jen Rosenblit](#) about the 2011 season of [CLASSCLASSCLASS](#). That's right people CCC is BACK this spring! Details to come...Check our [facebook](#) page and website for updates.

8PM: Headed to [100 Grand](#) for rehearsal with Jenny Shore and we pieced together an entire 5 min section! (see pics from Monday's post)

12AM - A midnight showing of the new Harry Potter movie! Thanks for the invite Chloe! Confession: I have only read the first book and seen the first movie. I don't know how I was privy to a midnight showing ticket. Sorry to all those kids out there who cried because it was sold out.
