Mission Statement

For more than two decades, Cathy Weis has been exploring innovative ways to partner video and technology with performance, creating imaginative, multidimensional worlds that skillfully play with the magic of time, space, illusion, and dance. Utilizing the arrangement of these diverse elements in performance, Weis' work focuses on their poetic and linguistic possibilities.

Program Statement

Cathy Weis Projects serves the community by creating opportunities for artists to gather and exchange ideas at WeisAcres, a loft studio space at 537 Broadway in New York City. Sundays on Broadway, an ongoing event series at WeisAcres, includes film screenings, performances, and all manner of gatherings on Sunday evenings.
