Mission Statement

Dance Caribbean COLLECTIVE, is an organization of dancers, choreographers and educators driven to facilitate Contemporary Caribbean Dance Performance, preserve Cultural Legacy and promote Community Engagement through Caribbean dance and culture.

Program Statement

Dance Caribbean COLLECTIVE was founded by Candace Thompson in 2015 to create a platform for Caribbean dancers, choreographers, educators and scholars to communicate, collaborate on projects and events, and make an impact on their community.

THE COLLECTIVE AIMS TO:

- Present dance work that can connect to the Caribbean-American population through workshops, lec-dems and education programs.
- Cultivate Caribbean audiences for dance and facilitate appreciation of contemporary dance and performance by Car
