Dardo Galletto Studios is seeking several new work study participants to assist with running the front desk, checking in clients, processing payments and other basic administrative tasks. Shifts are minimum of 3 hours/week in exchange for 3 amazing dance classes the following week (and good for one month longer!).

We need responsible, dedicated people who share our passion for dance and can commit to the same shift every week (it's only 3 hours!). Please email us at the address above and say a little bit about yourself, your availability and whether you have any experience with Mindbody (not necessary, but highly valued).

Thank you, and happy dancing!
