Perceptions Dance is looking for creative, athletic, energetic, and extremely physical professional dancers with strong modern and ballet technique for a series of projects and performances in the New York area. Contracts will last up to one year in length, ending no later than June 30th, 2013 as Perceptions Dance ends their New York residence. Dancers should be interested in working with professional choreographers within an emerging company. We are looking for dancers who want to be a part of a growing company, who can commit to projects and have a strong passion towards helping develop the company further. Dancers must be open minded, willing to contribute and committed to the process. Dancers interested in assisting administratively will also have the opportunity to join Project AUM and potentially train with Studio Anya & Perceptions Dance in Pilates, Yoga and PD & Anya's signature collaborative class Lila.

Tentative summer & fall performance dates include June 6th, August, November, and possible Boston tour in October, with additional performance dates and events possible. In addition, dancers may need to be available for our summer residency June 21st - June 24th. Rehearsals will be weekly depending on performance dates - Tuesdays and Thursdays 10am-2pm. Exact times may vary.
