Norwegian Cruise Line is committed to raising the bar on what can be expected from at-sea entertainment. We can and do deliver A-list productions with amazing directors like Rachelle Rak, Patti Wilcox, and Tiger Martina, with competitive salaries and professional working environments (and of course, the bonus of cruising to some of the world's most beautiful destinations!). It's an exciting time to become a part of the Norwegian family.

ATTENTION all Gleeks and Hollywood Musical Freaks. Come be a part of two new shows on Norwegian Cruise Line's Pride of America in Hawaii. First, a "Pop/Rock" original musical that features two rival Glee Clubs who travel to Hawaii for a fun filled "Elvis" sing off in hopes of winning the World Championship choreographed by Broadway's own, Rachelle Rak. Then take a journey through the glitz and glamour of the Hollywood movie musical that highlights some of the greatest song and dance moments in history. So, "Get out your tap shoes Francis, Norwegian Cruise Line is doin' a show!"
