We are currently seeking male 19-35 to grow with the company. The company is looking for committed, well rounded dancers who are comfortable using their voice and who have a strong background in contemporary and ballet and are comfortable with partner work. Technically advanced dancers from all styles of dance are encouraged to attend.

The company members will work closely with communities and individuals to create works. Due to the location of the first pieces performers may be required to travel to westchester via the subway never metro north.

Auditions will be held Saturday May 11.

Performers who are interested please submit a headshot/resume to wama5490@gmail.com.
