Looking for two seasoned dancers who ideally already work together, and can quickly improvise choreography for a high end cover show. However, we are also accepting individual submissions.

The show features concert style lighting, customized visuals, state of the art sound system, LED motion screens, projectors, pyrotechnic effects and more. Fronted by an award winning vocalist, this is an incredible opportunity for dancers to showcase their skills to all audiences, within a lively and professional setting.

The show entails songs by Ariana Grande, Katy Perry, Lady Gaga, Bruno Mars, Jessie J, Bebe Rexha, Jennifer Lopez, Selena Gomez, Taylor Swift, Jonas Brothers, Camila Cabello, Ed Sheeran etc... you get the point.

Must know how to hype a crowd, as well as hand out party favors when needed.
Smart casual, all black attire. Must have own transportation.

Please send video submissions for consideration. If you are a good fit, we will email you back with info for a live audition.
