How City Council Reviews Testimony

- The Council meticulously reviews all oral and written testimony and often reviews the hearing video.
- Testimony is also public and can be reviewed by anyone for any hearing.
- For future reference, if you search on the hearing site (https://legistar.council.nyc.gov/Calendar.aspx), you can choose a committee by choosing “Committee on Cultural Affairs (…)” from the drop down box in the upper-middle part of the page.

- You’ll find a list of dates and topics pop up. If you click on blue text that says ”Meeting Details” for a specific date, such as 4/20, it’ll bring you to the hearing materials. Sometimes you need to click on a link with a code that will look like T2020 [and has 4 digits] to get to the final hearing page, but there you’ll find links (in blue, in the middle of the page) leading to the committee report, testimony, transcript and video from each hearing.
