"The Choreographer's Festival is a wonderful opportunity which brings 9 choreographers together from the U.S., Puerto Rico, Colombia, Peru, Spain, UK, Italy, Mexico. Those choreographers work together with a group of international performers here in the U.S. hailing from the U.S., Colombia, Puerto Rico, Guatemala, Mexico, Dominican Republic, Switzerland, Chile, Mexico and then integrate with the D1 dance company from Peru to make 1 story. It's unlike anything else out there to combine such varied groups into one storyline. There are SO many different style of dance in one evening. If you don't want to get up and shake your tail feather after watching this show, I don't know what will make you want to. We did the festival five years ago and it was one of the most amazing cultural exchanges i've ever been a part of. Audiences were laughing, crying and up on their feet at the end. I expect BOUNTIFUL to be even more entertaining and inspiring." -Matt Steffens, Broadway performer and BOUNTIFUL choreographer
