Fuákata - Cuban Salsa New York

Have you ever tried Salsa? How about CUBAN salsa? Now is your chance to learn this exciting and fun dance! Every Wednesday, we offer a Cuban-style Salsa TOTAL BEGINNER introduction class! Having a partner is not required as we constantly rotate during the lesson. This format gives you the opportunity to practice your steps with various partners and prepares you for the social dance scene in a safe and pressure-free environment!

The teachers, a male and female, teach multiple, progressive levels of Cuban Salsa Partner work, also known as Casino and Rueda de Casino - an interactive group dance where there are constant partner exchanges with fun patterns executed in unison!

Schedule:

Wednesdays:

7:00-8:30pm Beginner Cuban Salsa & Rueda de Casino - Level 1

This class is for absolute beginners with little to no dance experience and will allow you to develop a strong foundation in Cuban Salsa in an extremely fun, stress-free atmosphere. In each 90-minute class of the four week series, students focus on developing dance fundamentals including rhythm, coordination, balance, and the specific technical aspects of Cuban Salsa, including basic steps and turn patterns, partnering technique, and the fundamental motions of Casino and Rueda de Casino. Students will also learn social dancing etiquette, floorcraft, and partner safety in an extremely warm, relaxed, social and fun environment. If you can walk, you can do this, so let your friends with two left feet know!

All classes are taught by both a male, Chris, and female, Nayelli, so women can easily follow another woman while men are following a man at the same time! They have over 18-years of training, teaching, performing, and traveling to Cuba to collaborate with the very best in the Salsa world. Feel free to contact them if you have any questions or would like additional info.
