Award winning dance theater company Sidra Bell Dance New York is collaborating with electronic sound artist and Juilliard trained Alexey Gorokholinsky as well as resident lighting designer Amith A. Chandrashaker for an exciting live performance event at New York City's Baruch Performing Arts Center. L O S T L A N G U A G E is an evening length abstraction that archives the stories, memories, and histories embedded in the bodies of the performers and physicalizes that stored information to illustrate a mysterious and ambiguous landscape of images with great currency.
