Brooklyn Bridge Park Conservancy has worked for over 30 years to bring Brooklyn Bridge Park to life. We started out as grassroots advocates, bringing together residents, government, and local supporters to transform an abandoned waterfront into the park you see today. Now an essential supporter, the Conservancy works in partnership with Brooklyn Bridge Park to ensure that the Park reaches its full potential as a dynamic and vibrant public space for all of Brooklyn, New York City, and beyond. With your help, the Conservancy produces diverse and innovative programming for Park visitors and cultivates volunteer and philanthropic support of this special place on the Brooklyn waterfront. Since 2000, more than 1,700,000 visitors have enjoyed the Conservancy's free, public programs in Brooklyn Bridge Park.
