Gandini Juggling Alexander Whitley

The avant-garde virtuosos of Gandini Juggling create breathtaking productions that mesmerize audiences of all ages. Back by popular demand following the success of last year's *Smashed*, the company collaborates with British choreographer Alexander Whitley in *Spring*. "Joyous, exhilarating and transporting" (*Culture Whisper*), this production interweaves five virtuoso jugglers with four contemporary dancers in a kaleidoscopic dreamscape including an immersive score by Gabriel Prokofiev. Visually arresting, colorful, and bursting with rhythm and pattern, *Spring* is a refreshing and entertaining production at the vanguard of contemporary circus.
