ART & POWER

A photograph of a Black man with a beard and a woman holding a baby, with large green text overlaid.

HISTORY, MISSION, & VISION

ART & POWER

...began as a radical commitment to the Artist, the Spiritualist, and the Child igniting, fueling, and cultivating the Innovative Critical Thinker and Strategist in each of us. The concept sprang directly from our relationships both in the field and in our local communities, where we found our creative lineages and practice to be a radical blueprint for building meaningful mutual relationships and therefore, our community.

A PLATFORM DEDICATED TO BLACK WELLNESS & INNOVATION.
ACTIVATED BY THE TRANSFORMATIVE INTERSECTIONS OF ART, SCIENCE,
SPIRITUALITY, AND CULTURE.

With COVID-19, along with artists across the U.S., we watched sunken-hearted, as a robust development year for A Prophet's Tale faded. Prematurely, we began mourning the life of our project, and steadied ourselves for the financial impact of our nearly emptied calendars. As a family of Artists, we asked ourselves...

“WHAT IF THIS LASTS LONGER THEN WE ALL ANTICIPATED?”

*But as the sun arose each morning...
Our brows furrowing
under its brilliance,
we remembered.
Creativity breeds Resilience.*

In response to COVID-19, **WE ADVANCED OUR VISION**
*to support Artists, innovative critical thinkers, radically
experimenting at the intersections of art, philosophy,
spirituality, and culture to design their own*
#SATELLITERESIDENCIES.

This program **CENTERS THE ARTIST'S VOICE** and
CHAMPIONS their role as **INNOVATORS**, by fueling artists to
use their unique assets, networks, and ingenuity to
forward their work, at a time when we need to hear
from the artist, the most!

Our assets include residential Sound & Movement
Spaces that will house our own 7NMS|
#SatelliteResidencies allowing us to develop our latest
work *A Prophet's Tale* through Feb 2021!

We invite visionary organizations and funders to **JOIN US**
in this radical endeavor, by supporting either a 7NMS|
#SatelliteResidency for *A Prophet's Tale*, or our
collective #SatelliteResidency Program. Please inquire
for more information at: info@7NMS.com.

THANK YOU!
